

SUMMER SCHOOL

FRENCH LANGUAGE AND CULTURE

Are you over 16, wanting to improve your French and extend your knowledge of French culture? If you are, come discover Lyon and its region, regardless of your level of proficiency in French!

PROGRAM

After the initial placement test, you will join a group that corresponds exactly with your level of proficiency.

In the mornings, language courses will help you develop written and oral skills in comprehension and expression and acquire linguistic tools.

In the afternoons, you will work on group projects - exhibition, performance, video - to share with all the participants at the end of the course. You will choose two projects to work on during the month, alternating between the two, alongside groups of the same or compatible language level : A1/A2, B1/B2, B2+/C2.

At the end of the programme, participants receive a certificate with details of their results.

ACTIVITIES

In parallel with classes, the CIEF Student service organises cultural outings, workshops and trips in Lyon and its region (French gastronomy, Annecy, etc). Some activities are subject to a fee and must be booked in advance : this information is given at the time of registration. INTERNATIONAL CENTRE FOR FRENCH STUDIES

The International Centre for French Studies - CIEF of the University Lumière Lyon 2 welcomes more than a thousand students every year, from some sixty countries, who wish to learn French - for fun, for their studies or for work.

The CIEF, which is a member of the network of university centres teaching French as a Foreign Language (ADCUEFE), obtained in 2022 the prestigious Qualité FLE Label issued, among others, by the Ministry of Higher Education, Research and Innovation, which guarantees the quality of the teaching, the reception of the students and the programs.

CIEF students enjoy all the services offered by the University Lumière Lyon 2. Thanks to the location of the CIEF on the historical Berges du Rhône campus, students can fully experience the dynamic European metropolis of Lyon, located only 2 hours away from the Alps, the Mediterranean Sea and Paris.

CIEF courses are open to non-French speakers, aged 16 or above (at the start of the course or semester).

CIEF diplomas are based on the Common European Framework of Reference for Languages (CEFR) of the Council of Europe.
